LOVE OUR KIDS:

Drew is in 9th grade and playing basketball. He plays on the Metro- Elite travel team, Swartz Creek JV and Freshman teams during the summer. Last spring Drew received an award for Project Unify, a group of student that help their classmates with special needs.

Zane is in 6th grade. He likes middle school much more than elementary. Zane plays lacrosse and basketball. His Dad is the assistant basketball coach.

The Archer kids are a busy bunch. **Gwen** has been working at Panera Bread since Spring 2017. She spent the summer counseling camp and trekking the state with friends and family. Fall finds her busy on the Hartland Girls Varsity Swim Team, continuing work, and as a Junior, taking her first online class.

Joshua spent the summer with many trips to northern Michigan, student directing at summer youth theater camp, and taking Segment I of driver's training. As a Freshman, Josh has joined the High School Drama Club and scored a role in the fall show, Sherlock Holmes. Josh is also the Student Director for the local youth drama club. In between the stage and class he squeezes in time to act as YouTube sensation and produces three videos a week on his channel "Joshua Archer."

Josephine is in 6th grade at Hartland Farms Intermediate School and she is excited about her teachers. She spent a week of summer at Bay Shore Camp and traveled all over Michigan with friends and family. This fall she is testing out the sports of Pom and Cheer. In the spring she will audition for the local youth theater's production of Aladdin.
